

Cynthia Bain's Young Actor Studio

Hello Pilot Season Class!

Welcome to your new online ZOOM Pilot Season Class!

Oh and also, Happy St. Patrick's Day! Be sure to wear green or risk a virtual pinch!

We hope you enjoy your new online Portal Page! Here you will find everything you need for class - from your purple folder materials to your scenes and homework.

This class will continue to be an amazing On-Camera Scene Study Class!

I still expect full participation and commitment from all of you! We will be continuing to explore our 2 dramas scenes. If you don't have a copy, you can download a new one on this portal page!

I'm so happy to be able to continue this class with this wonderful group! It's important right now for us to come together and express ourselves, lean on one another, and use our time together to create, imagine, and explore! Acting is a muscle that needs to be worked out...and I will continue to give you the means to be able to do so even in this crazy time.

After today's class (Tuesday, March 17th) we have only 3 more classes. Our last class is on **Tuesday, April 7th**.

The following week on **Tuesday, April 14th** the class will transition to an on-going Scene Study Class called "**School of Rock**" that will take place weekly at the same time **11:00am to 1:00pm**. (You can see a flier for this new class on your portal page.) You are being given the first exclusive chance to enroll in this new class! Some of you have taken advantage of this opportunity already. At the end of this week, we will be opening up this new class to the general public, so act now to reserve your spot!

Although we may not be face to face, we're going to have a great class! Class will start ON TIME every Tuesday at 11:00am and end at 1:00pm. Please allow yourself some space to move around as we will begin every class with your ACHIEVEMENTS/GRATEFUL/GOALS and a short warm up for your body, voice, and imagination.

If you are going to be absent or late to our Zoom Class for any reason, please make sure to fill out this link **HERE** as you know! This helps us with our planning for class.

I'm looking forward to seeing you and can't wait to see what magic we can create - even from our computer screens!

Your teacher,
Cynthia
